

EXTENSION OF RECIPROCAL CERTIFICATION

August 14, 2020

Chad Stoike
ALS Environmental – Holland
3352 128th Avenue
Holland, Michigan 49424-9263

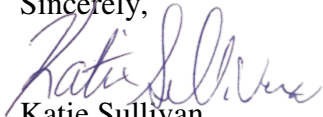

Dear Chad Stoike:

This letter acknowledges receipt of the letter extending your laboratory's Michigan certification/ accreditation until March 4, 2021. ALS Environmental – Holland is therefore granted an equivalent extension of Indiana reciprocal certification for the methods listed on the enclosed Indiana scope of certification.

Your certification will remain valid until **March 4, 2021**, with continuing successful performance on performance evaluation (WS-PT) samples and payment of yearly registration fee.

The extension of your laboratory's Indiana drinking water laboratory certification shall not exceed March 4, 2021; without further contact from the Michigan laboratory accreditation officer. If you or any of your customers have questions or need further information, please contact us.

Sincerely,

Katie Sullivan
Chemistry Laboratory Certification Officer
Indiana State Department of Health Laboratories
