

EnviroMail™ 00 Summary of Australian Newsletters

The full listing of Australian EnviroMail™ newsletters can now be accessed through the ALS Australian website directly. They are classified into the same sections as the traditional EnviroMail™ 00 PDF, with a list of the latest newsletters.

To view the full listing, simply choose:

- Australian country site
- Services and Products
- Environmental testing
- **EnviroMail™ Newsletters.**

[Main Introductory Menu]

The screenshot shows the ALS website's main menu. At the top right, there is a 'Your location' dropdown set to 'Australia'. The main menu includes 'Industries', 'Services & Products', 'Locations', and 'myALS'. Under 'Services & Products', there is a sub-menu for 'Environmental testing: Solutions' which includes categories like Air quality, Fuels, Hydrographics, Water quality, testing & analysis, and Remediation support. A red box highlights 'EnviroMail™ Newsletters' in this sub-menu. A red arrow points to 'Australia' in the top right corner. Another red arrow points to 'Services & Products' in the main menu. A third red arrow points to 'Environmental Testing' in the sub-menu.

[Side Menu]

The side menu shows a list of categories: Air quality, Biota & tissue, Fuels, Health, Hydrographics, Laboratory Downloads, Other specialty services, Remediation support, Sampling, Soils and sediments, Water quality, testing & analysis, and EnviroMail Newsletters. The 'EnviroMail Newsletters' option is highlighted with a red box.
